RECTANGULAR CONCRETE PLANTER 175 exposed aggregate

Elegant, rectangular, concrete planter in which shape, color and texture are harmoniously combined. The optimal ratio between height and length is complemented by a delicate, central, decorative channel, giving individuality and style. The flower pot is made out of high-performance concrete and an aggregate of natural marble or granite stones. The aggregate is available in different color variations of its constituent particles. Using the modern methods of processing the aggregate structure, a characteristic relief is created. A special protective coating is appli ...
