METAL BENCH 48 MR

A lightweight model from Encho Enchev - ETE urban range of products, which incorporates classic and modern styling into one. The bench is an elegant combination between the comfort and warmth of the wood and the strength and durability of the metal. The wood is certified and the boards are special coated. This treatment protects them from rotting and prolongs their life.The metal components involved in the construction are electro-galvanized and are powder coated.These technological methods protect the metal from aggressive atmospheric conditions and increase its ...
