METAL BENCH 52 MR

Classic bench with backrest, model from Encho Enchev - ETE series of metal benches. An elegant combination between the comfort and warmth of the wood and the strength and durability of the metal. The wood is certified and the planks are special coated. This protects them from aggressive weather conditions and prolongs their life. The metal components involved in the construction are electro-galvanized and are powder coated. These technological methods protect the metal from corrosion and increase its performance. The fasteners are from stainless steel. The bench h ...
